

Qualified LEAD

Call Center Verified Lead Generation

- High quality branded websites generate lead sources that have an interest in education.
- Calls are made on behalf of these sites and representatives help prospective students find schools that match their interest.
- Submit the qualified lead based on the schools lead form and on behalf of the user.
- All calls are recorded.
- Conversion rates average 2 to 6%
- Hot transfer technology available.
 - Exclusive lead that is prequalified and transferred directly to your school's admissions advisor.
